Dear Ms. Sugarman,

The Request for Additional Information states that the committee may have failed to file one or more last minute 48 hour notification reports during the 48 hour reporting period. All notices were filed correctly and on time with the exception of two transactions, which were filed 2 days late due to an inadvertent electronic failure.

Donovan for Congress has very firm, written procedures in place for 48 hour notification filings. Through our compliance firm, the Committee provides multiple notifications of the 48 hour requirements to all fundraisers, agents, and staff of the Committee, both prior to and repeatedly during the 48 hour filing period. All relevant parties provide documentation and verify all contributions and provide them to our compliance firm for filing. All contributions are further sent overnight to the compliance firm to physically verify and deposit.

In this instance, an email was sent with several contribution scans, but the two attachments in question did not download. As soon as the compliance firm received the packages and realized the omission, reports were filed immediately to ensure that they were placed on the public record. The campaign is very serious about following the law and proper procedures and has always acted in good faith to adhere to Federal election regulations.

Please do not hesitate to let us know if you have any questions whatsoever.

Sincerely,

William DeLuccio
Treasurer
Donovan for Congress
